## Roofing Updates

Tamko is still processing requests for roof replacements - very slowly. They have changed their approach and no longer provide the links to their approved contractors. One neighbor just received the paperwork to have her roof evaluated. She was informed she needed to select a roofer to provide an inspection report. One resident informed me that Tamko depreciated their roof life and offered them \$10,000 - certainly not enough for a new roof. ## Community News

- Metro District - Self-nomination forms for the upcoming Board elections must be submitted by 28 February 2025 to [Jbrink@wolferbergerllc.com](mailto:Jbrink@wolferbergerllc.com).
- Updated guidelines for fence staining are being finalized.
- The 2025 budget was approved with \$434,000 projected for operating expenses and \$665,000 for loan interest and principal payments.
- The next Metro District Board meeting will be held 18 Mar 2025 at 5:30pm.

## Car Thieves Reported

One neighbor reported that she and her husband stepped outside at 9 P.M. and disturbed some young men casing the used truck they just purchased. The couple followed them at a distance and the young men were suspiciously checking out another nearby truck. The late teen - early twenties males soon left the neighborhood - probably in a waiting vehicle. The police were notified and you may see added patrols in the neighborhood for a while.

## Cundall Farms Website

The Alpha, Charlie, Delta designations are for the Fire/EMTs and reflect the level of seriousness of the medical call. Alpha being lowest and Echo being most serious.

## Amazon Truck Damage

One of our neighbors reported their truck mirror was sideswiped by a passing Amazon delivery truck. They were able to verify the accident from video footage. If you don't have a security camera, you should consider adding one.

## Signs & Decorations

All holiday decorations as well as all political signs should have been taken down by now.

## Thornton Police investigate armed robbery, shooting

The Thornton Police Department is investigating an armed robbery and shooting that occurred on Jan. 18 at an apartment complex near the 2500 block of East 104th Avenue.

Officers were dispatched to the area at 2:40 a.m. after receiving reports of a burglary in progress and gunfire. Upon arrival, officers located a 25-year-old male suffering from a gunshot wound. The victim, identified as the brother of the apartment resident, was transported to a nearby hospital with non-life-threatening injuries.

The investigation revealed that the apartment resident was not home at the time of the burglary but was alerted to movement outside the unit by a home security camera. The suspect, however, covered the camera before continuing with the crime. The resident contacted his brother, who lives in the same complex, to check on the apartment. Upon arrival, the victim encountered the suspect, who then shot him and fled the scene with valuables from the apartment.

Detectives have obtained photos of the suspect from the home camera, which are included below. Detectives believe this to be an isolated incident, but the investigation is ongoing.

Anyone with information about this incident is urged to contact the Thornton Police Department tip line at 720-977-5069. Those who wish to remain anonymous and become eligible for a monetary reward can contact Metro Denver Crime Stoppers at 720-913-7867.

Further information will be released if there are significant developments in the case.
